Title: Female Transport Facility Policy	Issued By: HA	

1.0 Purpose:

Good & safe transport infrastructure are important for people's everyday life. At Devsinc, we recognize the significance of females' safety and their day-to-day travel challenges and hence offer this perk to all our female permanent staff.

2.0 Scope:

Female transport facility is offered at a subsidized rate. This is door-to-door pick & drop facility to ensure safe, smooth, and hassle-free travel

3.0 Guidelines & Processes:

Following are the guidelines for using the company transport system:

3.1. General Guidelines while commuting

- Devsinc provides transport to its **Female employees only.**
- After subscribing to the transport service by filling out this form, employees will be added to a **WhatsApp group comprising route members, the driver and the Devsinc transport team.**
- Employees will be communicated a **tentative time** of **pick up**, however, the car can reach **+/- 15 mins** depending on the traffic
- Once arrived at the doorstep, **the driver will inform the employee in the WhatsApp group**. The car will only **wait for 5 mins** at the time of **pick up**. If the employee does not respond within **5 mins either via WhatsApp group/sim call/in-person, the driver will notify the group and has the right to leave.**
- **At the drop-off time,** the car will leave right after **15 mins.**
- Ideally, all routes would be completed in **45-90 mins** based on the route kms.
- Employees are supposed to behave professionally i.e. **neither talking or sharing any personal/professional information nor any comments harming the reputation of the organization that can lead to a conflict.**
- Employees are **neither allowed to play the music in the car nor request the driver for anything**. If the employees **want to request anything**, they need to contact the **Devsinc transport team only.**

3.2. Route Management guidelines

- Employees are **not allowed to force the driver/supervisor to change the route**. They can only **request** the **Devsinc Transport team** for any changes.
- Employees are supposed to inform about the **change in pick up/drop-off location** at least **7 days** from the effective date of service delivery.
- Employees will be **picked & dropped** using a certain **route**. Employees cannot directly ask the driver/supervisors to pick or drop them using a customized route. **Route Management is solely the responsibility of the Devsinc Transport Team.**

3.3. Urgent/Emergency cases management

- In case of any **emergency/urgent meetings** resulting in the **employee missing her official route**, employees are supposed to inform at least **1 hour** before **drop off timings** by sending an email to **transport@devsinc.com** and **CC** their **Cluster Head/Manager.** The employee will be provided service based on the **next available route only if the email has been sent**. Therefore, **neither verbal nor in person request would be catered** at the run time**.**

- If an employee is not availing the transport service on a **specific day(s),** they should inform in the **WhatsApp route group**. If the car is waiting outside the employee house, and the employee then communicates about the **leave/WFH status**, additional **PKR 1000 will be deducted from the salary** of the employee. Therefore, the employees are requested to avoid this inconvenience.

3.4. Feedback & Complaint handling

- Employees can provide all sorts of **feedback OR share their concerns/complaints** to the Devsinc transport team only. For this purpose, the employees have to **register their complaints** so that their concerns are timely communicated and also tracked. Here is link to the feedback form https://forms.gle/TSQMMPHbxe7psFj66

3.5. Safety Measures & Management

- Employees are supposed to keep their **original CNIC/Employee Card** while using the Devsinc Transport Services.
- In case of any **unforeseen circumstances** such as **political riots, natural disaster, road repair work** etc, the employees will be timely communicated about the **alternate routes** or **unavailability of the transport service**. Therefore, the employees are supposed to cooperate with the **Transport team.**
- The employees have the right to **immediately inform** the team about the **rash-driving/traffic rules violation/vehicle breakdown/unethical act by any employee or the driver/supervisor** in the **WhatsApp group.** The **Devsinc transport team** will be responsible to **carefully and timely resolve the issue.**
- Employees are supposed to ensure **cleanliness and hygiene** in the vehicle.
- In case of any **accidental injury to passengers**, medical claims will be borne through the Medical cards of **Pak Qatar Takaful.**
- For those availing **night shift transport service**, the driver will be asked share the **live location** so that the **Devsinc Transport Team** can easily track the location of the team

3.6. Subscription charges & management

- Devsinc provides subsidized transport service. Employees availing the **Devsinc transport service** would be charged as per their **Pin location's distance (KMs) to the Devsinc office.** The subscription charges as follows.

  1. **PKR 15,000: Up-to 15 Kms**
  2. **PKR 20,000: 15-30 Kms**
  3. **PKR 25,000: Above 30 Kms**

- If a female has to avail transport on **weekends/public holidays,** she has to inform the **Devsinc Transport team** at least a day prior to availing the service
- The Employees are supposed to inform the **Devsinc Transport Team** about **subscribing/unsubscribing** the transport facility at least **7 days before the effective date.**
- In case of **immediate termination**, the employee would be provided the service **till the last date of service in the office**.
- In case of resignation before the **15th of a month**, the employee has to drop an email at **transport@devsinc.com** informing the team about unsubscribing, otherwise **complete month charges** would be deducted.

- The **Transport subscription charges** will be **deducted** on **every 15th of a month. The charges will be deducted from the employee's salary.** Therefore, an **employee availing the transport service** after the **15th of a month would be charged** in the **next month's salary**. Hence, the employees are requested to **promptly inform** the management about any changes.
- **Devsinc** provides **standard commute service to all employees**, therefore **NO personal favors** such as **halfway pick-up/drop-off requests would be entertained.**
