4.0 .Procedure :

- Team members will be able to claim their expenses as per their monthly entitled limit during any month of the same quarter. Any entitled amount not utilized during the quarter, will be carried forward to next quarter.
- The company will reimburse 90% of the total amount of each claim and that will be the maximum of the total entitled amount of the quarter.

- The grace time period is 10 days. Claim(s) of the previous quarter submitted till 10th date of the new quarter will be reimbursed from the previous quarter's entitled limit. E.g. Claim of 31st May will be submitted on June 10 and the amount will be reimbursed from the entitled limit of the previous quarter (Entitled for April till June).
- Expenses incurred during the particular quarter will be entertained only. Any unclaimed expenses incurred in the previous month's quarter will not be entertained with the current or any future claim.
- In order to claim the expenses, associates must have a copy of medical prescription(s) and original receipts. The amount spent on the purchase of medicines/Lab tests will only be reimbursed if prescribed by a doctor.
- Associates will receive the reimbursed amount with their monthly payroll.
- Employees need to create the ticket on MapleHR and upload the doctor prescription and medicine bills : https://devsinc.maplehr.io/login
- Example for OPD Claim:
  Mr. X is entitled for OPD limit on a monthly basis based on the grading system is PKR 4500 and can be valid during a quarter e.g. 4,500 PKR monthly limit can be accumulated and utilized in a quarter which can be a maximum of PKR 18,000 per quarter.
