Policy & Standard Operating Procedure		
Title: Off Day Meal Allowance	Issued By: HA	DEVSINC your technology partner

1.0 Purpose:

To provide clear guidelines regarding the Off Day Meal allowance for team members working on Public Holidays.

2.0 Scope:

This policy applies to Engineers, Operations, and Janitorial staff required to work on Public Holidays in case the in-house cafeteria is closed.

3.0 Policy Details

Eligibility:

a. This policy is applicable if the Cafeteria is closed for the public holiday, eligible team members can claim food reimbursement as per the defined limit. No food reimbursement will be allowed if the Cafeteria is open on the holiday.
b. The Off Day Meal allowance is valid only for Engineers and Operations departments required to work from the office on Public Holidays.
c. Off Day Meals on weekends are unavailable for Engineers and Operations departments; this benefit only applies to Janitorial staff required to work on weekends.
d. Team members from the Engineering and Operations departments will not be eligible for an Off Day Meal if the Public Holiday falls on the weekend.
e. Team members working remotely or working from home (WFH) are not entitled to this allowance.

Confirmation Process:

f. The confirmation of team members who will work from the office on a Public Holiday will be gathered from the respective Team Leads (TL) a few days in advance by the PSE's.
g. PSE's will further communicate the details via email to the Food and Beverages Department about the total count of their respective team members working on the public holiday.

Cafeteria Operations:

h. The Food & Beverages department will announce whether the Cafeteria will be open before the Public Holiday, based on the number of colleagues expected to come in on the holiday.
i. If the Cafeteria is closed for the public holiday, team members can claim food reimbursement as per the defined limit.
j. No food reimbursement will be allowed if the Cafeteria is open on the holiday.

Allowance Conditions:

k. Team members working a minimum of 4 hours can apply for an Off Day Meal lunch category on Maple, as 4 hours count as a half day.

l. Team members working a minimum of 8 hours can apply for both lunch and dinner in the Off Day Meal lunch and dinner category on Maple.

m. The Food & Beverages department will always announce before the public holiday, whether the Cafeteria will open, considering the number of colleagues expected to come on holiday. In case the Cafeteria is closed, you will be allowed to claim the food reimbursement as per defined limit. If Cafeteria opens on holiday, no food reimbursement will be allowed.

4.0 Effective Date

The Off Day Meal Allowance section is live on Maple, and this policy is effective from June 7th 2024.
